To Whom It May Concern,

I am happy to write this letter of recommendation for 24Hr HomeCare. 24Hr HomeCare has been working with Huntington Beach Hospital since 2011 and has served as an excellent resource for Case Management and our Social Work Team.

There are a few reasons why I chose to work with 24Hr HomeCare. One of the reasons is the immediate accessibility of its staff. I can reach the office LIVE at any time and a member of management is always available to come out immediately to consult with our patients, whether here at the hospital or at their home. Another benefit of this organization is the ability for our patients to select their caregivers via the caregiver profiles that can be emailed or sent to families. Finally, I trust the quality of the caregivers providing the care as 24Hr HomeCare seems to truly hire only top level caregivers through their screening process.

24Hr Homecare's professionalism and flexibility has set them apart from the other Home Care agencies that I see on a daily basis.

Feel free to contact me with any questions or concerns regarding 24Hr HomeCare at 714-843-5056.

Sincerely,

Raian Mendoza, Discharge Planner
