TOGETHER, WE BUILD A CARING COMMUNITY

To Whom It May Concern,

I have had the opportunity to work alongside 24Hr HomeCare over the past year in my role as Older Adult Care Manager for the Jewish Federation and Family Services, Orange County. I frequently consult with families during challenging times in their lives, and I know that I can count on 24Hr HomeCare as a resource to provide comfort and assistance to these families in times of need. Not only does 24Hr HomeCare directly help the families that I serve, but Gavin, the owners, and the staff have been very helpful in connecting me with community resources that I can pass along to my clients.

While there are many homecare companies that I can refer my clients, I always consider 24Hr HomeCare as a trusted resource and team who responds quickly to any question or concern that I may have. I consistently hear positive feedback from my clients and their families about the high quality service provided by 24Hr HomeCare and the staff's ability to meet the complicated needs of older adults.

I am happy to serve as a reference for this organization and can be contacted with any questions or concerns.

Sincerely,

Nadine Durbach, MSW
