To whom it may concern,

I am writing this letter of reference for 24Hr HomeCare in Walnut Creek on behalf of Sunrise Senior Living in Danville. Our community has developed a strong working relationship with 24Hr HomeCare over the past year and a half.

I agreed to an initial presentation by 24Hr HomeCare when they opened their first Bay Area location. I made this decision based on their history with several Sunrise Senior Living communities in Southern California. We decided to give them a try, and we were pleased with the results.

We have called on 24Hr HomeCare when our residents have required extra supervision when transitioning from home, the hospital, or at other times of need. We have found them to be attentive to our needs in a timely manner. We have also found 24 Hr HomeCare to be more flexible than other providers. They have no hourly or weekly minimum requirements, and their Caregivers can provide transportation and supervision for errands and religious services outside of our community's standard transportation hours.

Overall, the Sunrise of Danville staff and I are very pleased with the service 24 Hr HomeCare has provided and we plan on continuing to call on them as the need arises. If you have any further questions regarding 24Hr HomeCare, please don't hesitate to give me a call.

Sincerely,

Jeff Folsom
