To Whom It May Concern:

I am pleased to write this letter of reference for 24Hr HomeCare, an organization that has been contracted with Jewish Family and Child Services since 2009. 24Hr HomeCare has provided thoroughly screened caregivers to assist our clients with their personal care and light housekeeping needs.

We work with 24Hr HomeCare because they have proven time and time again their ability to be flexible in accommodating our clients' scheduling needs, ensuring caregiver to client compatibility, and being available 24 hours a day, seven day a week. In addition, the internal office staff has been excellent at updating and communicating with my office staff in regards to any changes in the clients condition or schedule.

The internal team at 24Hr HomeCare has a passion for assisting families in need of homecare services and it shows in the quality of care they provide to their clients. When I have a family in need of homecare services for their loved one, I feel confident in referring to 24Hr HomeCare. Please feel free to contact me for any additional details or questions at (562) 427-7916, extension 228 or email me at mlowen@jfcslongbeach.org

Sincerely,

Mary Lowen, LSCW
